

COMMONWEALTH OF PENNSYLVANIA  
OFFICE OF THE GOVERNOR  
HARRISBURG

THE GOVERNOR

**GREETINGS:**

**I am pleased to welcome everyone to the fourth annual Keystone Classic Barbeque Pennsylvania State Championship.**

**Pennsylvania is proud of its agricultural heritage and industry, which remains the commonwealth's number one economic contributor. The production of key ingredients for barbeque – beef, pork and poultry – adds billions of dollars each year to our economy.**

**During this year's event, contestants from across the commonwealth will compete in a competition sanctioned by the Kansas City Barbeque Society of Kansas City, Missouri. The ultimate winner can take the Pennsylvania prize barbeque to national championship competitions.**

**On behalf of all Pennsylvanians, I extend my best wishes for an enjoyable and memorable event.**
